

## End of Year Stewardship Guide

The Stewardship Team is here to help Organizations and IDC Pairs better thank and benefit their donors. Stewardship is the act of thanking and benefiting someone that helps you in some way, for our case here most of which is coming in the form of monetary donations. In this document we will include the benefits of stewarding, tips and tricks, as well as letter and email templates for you and your organization to use.

Stewardship has been incredibly important to the THON Community, and we are here to help you help the community that supports you.

### Benefits of Stewardship

- ❖ Build a closer connection with your supporters
- ❖ Your supporters feel more appreciated
- ❖ Supporters are more likely to be repeat donors if personal connection is built
- ❖ Helps you and your organization better track donors

### Tips and Tricks

- ❖ Keep track of donors, taking note of repeat and large donors
- ❖ Create Email, Letter, and Phone Thank You Templates to have a bank to use when donations come in
- ❖ Look into creating a specific benefitting structure for your large donors: I.e., Sending org merch, inviting them to join you at THON Weekend, sending monthly organization updates about paired Four Diamonds Families and the THON Community
